OFFICIAL PRESS RELEASE

October 1, 2026

Team Allied Distribution Acquires OKC-Based Undercar Warehouse Distributor, Quality Exhaust.

Allied Exhaust Systems, Inc. dba: Team Allied Distribution has officially acquired Quality Exhaust, an Oklahoma-based undercar warehouse distributor. The acquisition will expand Team Allied's presence in the central United States and strengthen its ability to serve customers throughout the region.

The transaction encompasses Quality Exhaust's distribution operations, assets, and on-site inventory. To facilitate a smooth transition, Team Allied is investing in new systems and product lines, as well as improvements to inventory management aimed at enhancing overall efficiency. Most importantly, Team Allied is excited to welcome Quality Exhaust's experienced and talented team.

"Fifty years in business. Twenty-nine locations. Over 220 employee-owners, and counting! Each milestone reflects our employee-owners' commitment to long-term sustainable growth."

- Darrell Kurth / President

About Quality Exhaust:
For more than 40 years, Quality Exhaust has served customers in Oklahoma and surrounding areas as a full-service distributor of automotive exhaust products. Its team has built lasting relationships through personal service, dependable product availability, and a commitment to understanding customers' business needs. Quality Exhaust shares Team Allied Distribution's focus on premium products, competitive pricing, and responsive customer service. Together, those values provide a foundation for serving customers in the region while building on the relationships Quality Exhaust has established over the decades.

Sincerely,
Darrell Kurth / President
