## Team Allied Distribution Adds a 5<sup>th</sup> Northern California Warehouse Location!

We are pleased to announce the addition of our fifth Northern California warehouse facility! Strategically located in Stockton, CA., to further improve Team Allied's reach and level of service throughout the San Joaquin Valley and The Bay Area. The fully integrated warehouse formerly operated as Wicked Flow's Northern California distribution center. Earlier this year, Team Allied entered a definitive agreement to acquire Wicked Flow's Nor-Cal facility, warehouse equipment, distribution operations, assets, and on-site inventory. Most importantly, we will be extending permanent positions to the majority of the talented staff in place. Team Allied Distribution has also made a significant inventory investment to provide a wide range of Wicked Flow products, ensuring a smooth and seamless transition.
