

Oak Creek/Milwaukee, WI - Team Allied Distribution Establishes It's 28th Warehouse Distribution Center.

Team Allied Distribution is proud to announce the opening of its 28th warehouse facility, strategically located in Oak Creek/Milwaukee, Wisconsin. Positioned near major transportation corridors, including Interstates 94 and 41, the new site will enhance service coverage across the state of Wisconsin and Northern Illinois. As of today, the facility has gone live and fully operational. This expansion reflects Team Allied Distribution's dedication to enhancing customer reach, increasing operational efficiency, and delivering a broader, more comprehensive product offering to customers throughout the region. The new warehouse will focus on supporting the automotive undercar exhaust market, strengthening the company's position as a leader in this specialized distribution channel.

“ Witnessing our team execute our expansion plans is not just a moment of pride. It’s a testament to our shared vision as an employee-owned company. What better way to honor our company’s 50th Anniversary!

- Darrell Kurth, President

About Team Allied Distribution

Headquartered in Fairfield, California, Team Allied Distribution was founded in 1976 and has grown to become the nation's largest independent undercar warehouse distributor of automotive exhaust and emissions components. With over 400,000 square feet of warehouse capacity across 28 distribution centers throughout the Western and Midwestern United States, Team Allied is a proud 100% employee-owned company. Committed to delivering premium quality products, competitive pricing, fast-paced logistical services, and first-class customer service.
