

Team Allied Distribution's Ongoing Texas Expansion Initiative Adding a Third Warehouse Location in the Lone Star State – San Antonio, TX.

Team Allied Distribution, the nation's largest independent undercar exhaust warehouse distributor, is proud to announce the opening of its third Texas distribution center—strategically located in the vibrant city of San Antonio. This latest expansion is a pivotal step in optimizing operational efficiency and enhancing service coverage across Central and Southern Texas. The new location will enable faster logistics, broader market reach, and improved service to key regions, including Austin, Waco, College Station, and beyond. The official grand opening is scheduled for Monday, July 14th, coinciding with the facility's full-scale operational launch. Marking a major advancement in the company's regional growth and dedication to improved service.

"The addition of our third Texas facility in 18 months reflects Team Allied's commitment to its customers, partners, and employee-owners."

- Shane Freyholtz

Regional Manager (Midwestern/Central Territory)

About Team Allied Distribution

Headquartered in Fairfield, California, Team Allied Distribution was founded in 1976 and has grown to become the nation's largest independent undercar warehouse distributor of automotive exhaust and emissions components. With over 400,000 square feet of warehouse capacity across 27 distribution centers throughout the Western and Midwestern United States, Team Allied is a proud 100% employee-owned company. Committed to delivering premium quality products, competitive pricing, fast-paced logistical services, and first-class customer service.
